Customs Notice No 11 / 2008
Animals and Plants Import Procedures

With reference to the letter of the Federal Customs Authority No. MD/MA/G/601/2008 dated 13th July 2008 and the 44th meeting of the GCC Customs Union Committee

The following have been decided:

1. All animals and plants consignments entering through customs ports shall be referred to the quarantines co-located therein for ascertaining their clearance of diseases.

2. Intense control shall be introduced to prevent smuggling of birds.

This decision shall come into force as from the date of issue.
