Customs Notice No (02/2012)
“Concerning Implementation of Electronic Set-off Stamp”

For the purposes of automating, regulating and controlling customs procedures relating to set-off stamp onto customs statistical declarations under which cleared goods whose duties are collected at Dubai Customs are moved to GCC States.

The following have been decided:

1. The manual set-off stamp shall be suspended.

2. Customs statistical declarations to which set-off conditions and rules are applicable shall be stamped by the electronic set-off stamp.

3. This Notice shall come into force as from the date of issue and supersedes whatsoever may contradict therewith.
